Elmira, NY -- January 26, 2024 --The community is invited to attend a ribbon-cutting event on Wednesday, Feb. 7 from 1 to 3 p.m. to mark the official opening of CASA-Trinity's new Mental Health Outpatient Program in Elmira located at 244 W. Water Street, Suite 200 (inside the BKA Financial Building).

Services offered at this new facility include screening, assessment, diagnosis, individual and group therapy, patient-centered treatment planning, peer and family support, targeted case management and more.

"Our outpatient mental health program is designed to meet increasing needs in Chemung County and will provide essential access to community-based mental health treatment," said CASA-Trinity CEO Ann Domingos.

The program was approved by New York State Department of Mental Health in 2023 and opened temporarily on W. Water Street in November 2023. The program will relocate to Judson Street in Elmira later this year when construction of a new CASA-Trinity residential treatment facility is complete.
