Elmira, NY – March 13, 2024 – A groundbreaking ceremony is set for Friday, March 22 at 1 p.m. at 210 Judson Street in Elmira. The ceremony will mark the start of construction for a facility that will house three new CASA-Trinity programs for those in need of crisis, mental health, and substance use disorder treatment.

The crisis center will be the first-of-its-kind in Chemung County. The facility will also feature a 24-bed residential center for substance use disorder treatment and an outpatient clinic for mental health needs.

“Programs for those with intensive crisis stabilization needs do not currently exist in this region but the need is increasing daily,” said CASA-Trinity CEO Ann Domingos. “We are proud to pioneer this advancement.”
