Hello, Friend!

It's that time of year again! CASA-Trinity is getting ready to kick things back off with our 7th Annual Color Run/Walk 4 Recovery 5K, happening on Saturday, August 30th! As planning efforts continue, we wanted to inform you of some of the sponsorship opportunities that we have available.

CASA-Trinity is a non-profit 501c3 organization that offers Prevention Education, Substance Use Disorder and Mental Health Treatment, Recovery, and Outreach services to Livingston, Cattaraugus, Steuben, Chemung and Tioga Counties within New York State. The funds we raise help to keep our AIR Adventures in Recovery Adult and Youth Clubhouses programming free to community residents. Even the smallest contribution can make a BIG difference.

Our Color Run/Walk event is a family friendly event! There will be activities, music, food, and a whole lot of fun to enjoy! We'll be honoring those we've lost, celebrating those in recovery and shattering the stigma associated with getting help for a substance use disorder or mental health concern.

This year's event will kick off at our Dansville, NY Clinic and we hope you can participate in some way!

*Donations now accepted.
Registration is now open!

Sincerely,

CASA-Trinity, Inc. Planning Committee

Thank you so much!!
