

Cattaraugus County Prevention End of the School Year Summary 2024-2025

July 8th, 2025

Wrapping up the School-Based Prevention Program Year:

What a year for CASA–Trinity's Cattaraugus prevention team!

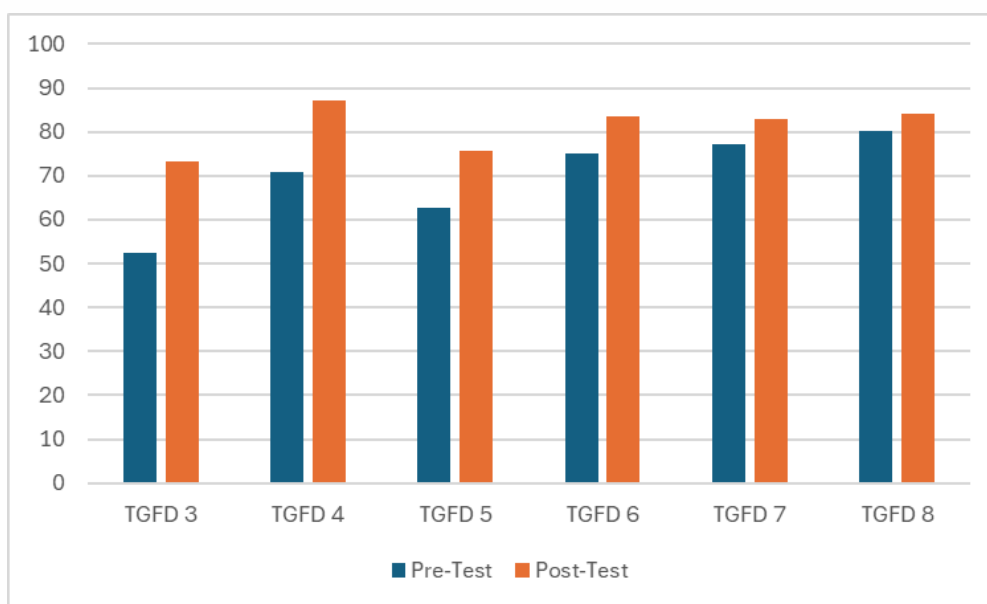

First and foremost, our prevention staff at CASA–Trinity want to give the warmest thank you to school staff across the schools we serve for, yet another AMAZING year filled with knowledge and never-ending opportunities! We cannot stress our gratitude enough for welcoming us into each of your classrooms to teach the importance of the Too Good for Drugs and Teen Intervene programs. With your continued partnerships, we are able to implement these programs to their fullest value to serve your students.

We couldn't have this success without you!

A Quick Look at Our Outcomes

This school year, we reached nearly 1,800 students across, 164 classrooms, in 11 schools throughout Cattaraugus County, spanning grades K–8!

Through the Too Good for Drugs program, we implemented comprehensive lessons that emphasized the importance of making positive decisions and advocating for a healthy, substance-free lifestyle.

Our team worked closely with students to equip them with the knowledge and skills necessary to resist peer pressure and make informed choices that benefit their long-term well-being.

Additionally, we engaged with 72 students in the Teen Intervene program, achieving 67 successful completions throughout the county.

SPOTLIGHT ON: WISE

While we provide many school-based programs, we also host other community-based initiatives! Our WISE program is BOOMING, filled with educational opportunities for senior citizens in our communities!

To learn more about our WISE program, contact Caitlynn Carson at ccarson@casa-trinity.org.

Summer Programming and Events:

This summer, CASA-Trinity's Cattaraugus Prevention team is making a SPLASH in the communities we serve!

We're beating the heat by getting involved in events all across Cattaraugus County—including summer recreation programs, local tabling events, launching our new Senior Summer Rec Program, and hosting a special cyber security presentation.

And don't forget to stop by and see us at the Cattaraugus County Fair—we'd love to say hello!

Do you know a high school student who needs community service hours or wants to make a difference? We're always looking for volunteers to help with local projects—like Project Sticker Shock, a youth-led campaign raising awareness about laws related to underage alcohol sales.

Interested in Scheduling Prevention Programming for the 2025-2026 School Year?

We encourage schools to schedule their classroom prevention programming or training needs with us as early as possible to secure a spot in our calendar. If you're unsure which programs would be suitable for your school or need more general information, we're here to help! We offer a comprehensive menu of services and would be happy to discuss the available options.
